## How the Program Works:

You create a profile specifying your specialties. We match you with travelers seeking a trip featuring those specialties. You choose the traveler leads you want. It's that simple.

## How the 'Matching' Process Works:

A

Travelers send detailed Trip Requests to Tripology, looking for a travel specialist

Tripology e-mails the qualified Trip Requests to travel specialists

C

The first three travel specialists who choose to buy the leads get the travelers' contact information
